# Panchang Shravana Phalam

तिथेश्च श्रियमाप्नोति वारादायुष्यवर्धनम्।  
नक्षत्रात् हरते पापं योगात् रोगनिवारणम् ॥  
करणात् कार्यसिद्धिः स्यात् पञ्चाङ्गफलमुत्तमम्।  
एतेषां श्रवणान्नित्यं गङ्गास्नानफलं भवेत् ॥

**Thithi (Date) gives wealth, Vara(Day) enhances the longevity, Nakshatra (Star) removes the sins, Yoga cures the diseases, and Karana gives success in deeds. One who does the karma by knowing the above will have Divine blessings.**

# Australia

There may be a heightened sense of rebellion against traditional structures and authority figures. People may be more inclined to challenge the status quo and advocate for progressive or radical ideas.

There may be a sense of friction and tension in the collective consciousness. This could manifest as social unrest, clashes between different groups or ideologies, or struggles for power and control.

There may be a strong focus on advancements in technology, particularly in areas related to communication, social networks, and innovative solutions to societal problems. However, there could also be setbacks or limitations in these areas due to the restrictive influence of Saturn.

Change and upheaval on a societal level. There may be revolutions, protests, or movements aimed at restructuring existing systems and institutions. However, these changes are likely to be slow and hard-fought, as Saturn's influence tends to delay progress and require patience and perseverance

# Australia

There may be a renewed focus on social justice, equality, and community-building, with people coming together to address shared concerns and work towards common objectives.

Fluctuations in financial matters, especially regarding public finances or sentiments related to economic stability. Emotionally, there might be a strong attachment to material possessions or a tendency for moodiness in financial matters.

There might be a tendency towards erratic financial behavior or a desire for unorthodox sources of income. Sudden and unexpected changes in financial circumstances

# Australia

Financial gains through artistic pursuits or relationships

Focus on self-worth and personal values. There may be a strong sense of pride in one's financial achievements or a desire to assert oneself in matters related to wealth and resources

The tax will be increased.

# Australia

Fluctuations in Revenue and money market fluctuations.

Communication infrastructure will be improved.

Danger of international disputes, disagreement with other powers. The enemy would be in the North West part of Australia, more like South China sea.

There will be financial stagnation, in the beginning of the year starting from april 9th 2024. Panic in strock exchanges, government's expenditure will increase.

# Australia

Benefits to agriculture.

Fires and accidents to shipping industry.

Deaths among noted men of legal, clerical and shipping world.

Disputes and religious and legal affairs

# Australia

Mental health and brain diseases will increase.

Espionage, through online hacking will increase.

Prime minister will have a connection with the nation.

Immigrant may not find required help due to Saturn.

The Prime minister will continue to be a popular leader

# Mesha Rashi

You will grow in your status, grace, progress. You'll develop better relations with children, but you'll have some difficulties. You'll have hardships in your relationships and dealing with business partners. After May 1st, you will have you good luck in case of money, but with some loss overall it will be beneficial. If you invest in foreign stocks, be wise. When dealing with enemies you need to be tactful. You'll gain inheritance and good health. Be careful while dealing with your superior and father or dealing with government and judiciary. Saturn will give you good money flow gain from father etc. at the same time make sure not to hurt his feelings. If you are appearing for competitive exam (student) you need to be put more effort in your studies. you need to work hard. Don't take excessive debts. Your expenses will increase. Your relations with your friends will be spoiled due to your false ego. Healthwise you might need to visit hospital on a few occasions. Financially things will improve after January 21<sup>st</sup> 2025. Time to be watchful till end of January, April 23rd till June 1st, financially from July 12th till August 26th. You can do devi puja to avoid ill effect of Rahu transiting over your 12th house.

# Vrishabha Rashi

Your health will bring some worries but at the end it will be good. You might have hospitalization, but not to worry much. You might feel some insomnia, advised to do sleep apnea test. You will donate money to religious causes, gain through foreign relations, or investing in foreign countries. Expenses will rise. You need to give more attention to your parent's health. If you want to make money with speculations, then it's bad news for you. You might have some negative news. Avoid eating fatty foods, do liver tests, do regular exercise. After May 1st, you will gain through hard work, health will improve. If you are in competitive exams, you'll succeed with hard work. You will have better relations with your spouse and partners with occasional differences. You'll find some obstacles in your luck, or matters related to court. During the year you'll have some trouble making important decision at work, if you take haste decision it will hurt you. If you work hard, you'll gain promotions and success even during Saturn's transit over your 10th house. You'll have live away from your mother or will have difference of opinions with mother, or her health will worry you. If you keep your ego aside, you'll gain more friends, success after initial troubles is guaranteed. Your expense will keep increasing after January 21<sup>st</sup> 2025, need to watch it out. Time to watch: June 1st till July 12th. August 26th till end of year. You can worship Hanumanji or help poor people to get blessing of Shani dev.

# Mithuna Rashi

The beginning is very good for you, with some resistance due to your past deeds (Saturn). Good gain, from friends, parents, government, and other places. You'll get help from co-workers and in profession. You'll have better relations with your siblings and your writing skills will be recognized. You'll work hard and will be recognized. Success in competitive exams, differences and worries about children. Relations with your spouse and business partners will assure professional success. After May 1st your expenses will increase, gain through other sources with difficulties. You'll visit some holy places; foreign travels can bring some losses and higher expenses. You'll have losses in business professional field. You'll be inclined to invest or buy a new home, your relations with your mother will improve, family happiness will increase. Avoid gambling, speculative business to avoid loses and take care of your health, your lower half of body will cause some health issues. If you are dealing with property, inheritance issues you'll have success after long difficulties, try to do out of court settlement. If you have got recent promotion your increased responsibilities will cause trouble. If you be diligent, you'll have success with enemy. You are advised to handle employees with care to avoid litigation. You'll need to be careful from your enemies after January 21st 2025. Time to watch: July 12th till August 26th. You can worship goddess Lalita devi to avoid ill effects of Rahu.

# Karka Rashi

Your relations with your father and your superior will be mixed, good and bad, especially if your superior is older than you, but if you work hard and give more time to work, you'll gain more, but if you believe in your luck than you'll have mixed results. You'll get promotion but not as much as you expected. Your desire to save money will be semi successful with increased expenses. If you are planning to buy a house, your plans will be successful. You'll handle your enemies with discussion and mediation, you'll gain from enemies. After May 1st, you'll make more friends but not that fast. Saturn will slow you down but if you make friends with hard working people that will benefit you. You'll need to improve in your communication skills. Review your documents, or emails before sending. You'll have success in studies only after hard work. You'll have worries with spouse and children but talking it out will make relationship cordial. You'll get money but at the same time more expenses. If you invest in foreign countries, you'll have gain. You need to avoid harsh words in dealing with family matters. You'll have trouble following your duties and dharma. Avoid ego to be successful. Overall, your success has obstacles due to your past deeds. You'll need to be watchful about your health after January 21<sup>st</sup> 2025. Time to watch: Till April 23rd (Drive carefully), and August 26th till October 20th. Lord Shiva puja will help.

# Simha Rashi

You'll be more religious and feel like luck is favoring you. Your teachers, mentors and father will help you. You'll get proper guidance. You'll learn new things about ancient cultures and traditions. Advised to do exercise regularly join some gym to keep in shape and gain more self-confidence. You'll be courageous and work harder, your communication skills will improve, but be careful about spoiling relations with your siblings. Invest in stocks wisely. After May 1st, you'll gain honors, benefits from government. You'll be interested in learning new things. Gains in stock trading. You'll have improved relations with family members, good money flow. If you are planning to buy a home, this is the good time. Good for people in higher educations. Your relations with mother will be very good. However, your enemies will give you troubles, and you'll be fed up with unnecessary trouble. After May 1st you'll notice increased feud with your spouse. You'll handle your enemies well. You'll notice the good luck you had is slowly turning into tough luck. You may have to spend some money for home improvement. You'll need to take care of your health specially stomach and lower part of body. Financially gain after January 21<sup>st</sup> 2025. Time to watch: June 1st to July 12th, October 10th till year end. You can worship Lord Subramanyam for good health.

# Kanya Rashi

**You need to observe your health. Do exercise, try to control fatty food. If you are trying to sell your assets, properties avoid selling at a low rate or in a haste. You need to be nice to your spouse and business partners, otherwise this can lead to problems in your marriage and business relationship. Your expenses will increase, if you are planning to make a foreign trip it will be successful but watch for your belongings. Your savings will be affected and take care of your mother's health. Things will improve a bit after May 1st, your property deal will go through smoothly, and mother's health will improve. If you are appearing for higher education this is the good time to give exams. You'll still feel hardships in your luck and relations with your manager, boss. You will take calculated risk which will benefit you and your writings will be recognized. You need to improve your employee relations. One of your employee or subordinates can give trouble. You will face your enemy well, and some chronic health issues will bring worries. You will need to improve your relations with siblings. After January 21<sup>st</sup>, 2025, work will be more demanding, but you'll find happiness and reward. Time To Watch: Health: June to July 12th. Hanuman ji puja will help you overcome troubles.**

# Tula Rashi

More you work hard, more you'll gain, that should be your mantra. You will gain with extra efforts, and they will be recognized. Your relations with your spouse and co-workers will improve, some differences will remain. You'll find many avenues to increase your income, even friends will help you. If you have an import export business, you will have gain, but your investment to get those contracts could be high. You'll have a nice family life, outing with family, travel will happen. However, differences with mother can happen and some issues in land property matter. Your kids will have success after some trouble or hiccups. Hanuman puja will help you overcome property matters, and differences with mother. Your long-term investment in stocks will be gain. Avoid arguments with your spouse. You'll feel you are having success but with some trouble, obstacles. You'll be inclined to spend money for family causes and on home improvement causing less saving. You'll gain over enemy with various tricks and courage. Things will be a bit difficult on health front after 1st of May. You'll feel less courageous. However, your family will support you. After January 21<sup>st</sup>, 2025, You'll find unknown obstacles in your path. Time to Watch: Health: May to June 1st.

# Vrischika Rashi

**You'll be using various ways to win over enemies. Avoid quarrels with family over small things like money etc. If you are a student then you'll need to pay extra attention to study, your luck won't support you like last time. Watchful about stock markets. Position at work will be good. You will get promotion but raise may not be as per your expectations. You'll gain from foreign places, spend money in religious places. Financial gain but with trouble at family front. Students needs to make sure not to forget exam date. After May 1st things will improve a lot. Marriage proposals will materialize. Income will increase and your work will be recognized. You'll have worries about your enemies, they will try to trouble you. You'll be worried but won't express to anyone. After January 21<sup>st</sup>, 2025, try to drive carefully but you'll have some unexpected gain. Time to watch: Finance: April 23rd to May. Health: After October 20th. You can worship Lord Shiva.**

# Dhanush Rashi

For high school students you'll be paying more attention to your studies, specially don't get carried away in your future planning. Instead of visualizing too much about what you want to do in future, you should pay attention to your studies. At times you'll feel like you are having trouble studying more, but keep studying, do yoga and get back to studies. For students in higher education will do well, provided your planets in your janma kundli is good. Those who are into stock market for investment purposes their stocks for long term investment into machinery, engineering, oil stocks will do well. Your kids will do well although they won't get what they want but still you'll succeed at convincing them. You'll find your luck is running bit slow, and you'll be battling between religion and spirituality. You'll gain but with difficulties. You will need to improve your relations with some of your friends, who are older than you. After May 1st, things will shift a bit, you'll suffer from enemies and health related issues. Your mother's health will raise some flags. If you are in market to buy or sell your house you'll find some troubles, or you won't find peace at home.

Your professional attitude will be good that will help you progress at work. You'll have increased expenditure, but with gain from other sources like foreign countries. You'll visit religious places. You might need to be careful in relations with your siblings. You'll become courageous at the same time you won't be too bold to take risky decisions. If you are traveling, make sure not to incur losses. After January 21<sup>st</sup>, 2025, You'll have face some health issues. Time to watch: Financially: June 1st till 12th July. Health: From 26th August till 20th October. You'll can worship Goddess Lalita – chant Lalitha sahasranama to avoid ill effects of Rahu.

# Makara Rashi

If you are planning to move to foreign countries and trying to get a residency in foreign country, you'll get the good news, but you'll need to wait for this, and you will succeed after a wait. This is the time to buy a house in foreign country provided your planets at the time of birth favors. You'll stay away from your mother or from home, you'll have more travels. You may have some gains without any hope. Gains through inheritance, insurance, and other means. You'll have higher expenditure, even with conservative attitude. You need to exercise to avoid heart rate issues. After May 1st, your worries with children will ease, but not gone. If you have investment in foreign stocks they will do well. Students need to put more efforts in studying for good grades. You'll be religious visit temples; you'll get good guidance from your mentors. You are into 3rd part of 7 and 1/2 years period of Saturn. It will make you struggle, work hard, you need to make sure not to hurt any disabled, old people. Try to help them. Jupiter will try to give you some help in your this 7 and 1/2 year period. However, your Rahu will help you as well. After January 21st, 2025, You'll have some financial gain. If you were looking for a loan you'll have it. Time to Watch: Finance and Health: Till 5th February. Finance: Till 23rd April 12th July till 26th August. Health: 20th October onwards. You can worship Mahadeva or Hanumanji to remove ill effect of Shani Maharaj.

# Kumbha Rashi

You'll become courageous and take bold decisions. Your writing skills will be recognized. You'll gain from your siblings but with some difficulties in the relationship. If you are planning to marry this is the good time for you, you'll find very good match and gain from your in-laws. Your legal troubles will ease after some struggle. You'll have gains from friends and other sources. After May 1st, you will have friction in relationship with mother, but she will help you. You'll spend money in your house remodel or repairing, if you are planning to buy a house it will materialize. You'll gain from insurance and other means. The trouble you had at work will ease now. Gain from government contracts, but your expenses will rise. You'll have trouble from foreign sources or may be inquiry into your green card or visa application. You will suffer from lack of sleep. If you are planning to marry, do it before May 1st otherwise Saturn will cause delay, you are in the second part of 7 and 1/2 years sade sati, so give 100% attention to work, things will improve a bit after May 1st, but this all depends on your hard work. Don't take extension in paying taxes, try to pay it on time to avoid audits. Rahu will bring some financial struggles, but you'll have your ways and able to retain gains. After January 21<sup>st</sup> 2025 don't try to make any wrong decision in stock investments, you'll lose money. Time to worry: Finance: August 26th till October 20th. You can worship Hanumanji or Mahadeva to remove negative effects of sade sati.

# Meena Rashi

You are in the 1st part of sade sati. You'll have family happiness, increase in family members, and financial gains and savings. However, this might have some effect on your health. If you are trying to take loans for some projects. You'll succeed and gain from enemies with patience. You'll have unexpected gains from inheritance, insurance, etc. You'll make good progress at work, recognition to your work, promotions etc. After May 1st, you'll notice differences with your siblings, but your risk-taking ability will increase, differences with father but gains from government and tax benefits. If you are planning to marry it's a good time. For married, they will get more support from spouse and better relations. You'll be religious and visit temples etc. Due to sade sati you'll notice some gains are not coming as you expected with difficulties, and sometimes you'll see friends are also not helping you. If you use patience and try to find your way out, and you'll triumph. After January 21<sup>st</sup>, 2025, Make sure not to spoil relations with your close friends and relative. Time to watch: Health: Till April 23rd. Finance: June 1st till 12th July, October 20th onwards. You can worship Hanumanji or Lord Mahadeva for sadesati.

ॐ सर्वे भवन्तु सुखिनः सर्वे सन्तु निरामया,  
सर्वे भद्राणि पश्यन्तु मा कश्चिद् दुख भागभवेत्।

ॐ शान्तिः शान्तिः शान्तिः

OM sarve bhavantu sukhinah sarve santu  
nirāmayā,  
sarve bhadraṇi paśyantu mā kaścid dukha  
bhāgabhaveta|

OM śāntiḥ śāntiḥ śāntiḥ
